

AVAILABLE NOW!

Similar to home offered. Breakfast bar has pendant lights.

32033 Woods Ct., Dagsboro, DE 19939 Site 48. Home offered is similar to home on left but will have bordeaux shutters and door, graystone shakes, driftwood siding and weathered wood roof.

\$250,000

The **Riverdale** elevation A (left) twin home in Dagsboro, DE offers all you need in 2,007 S.F. of space. Upon entering this recently built home, a dining room with **hardwood flooring** opens to a kitchen with pantry, **stainless-steel appliances, granite counters, maple cabinets painted ivory** and **hardwood flooring**.

The kitchen's **breakfast bar** opens to the light-drenched family room with **gas fireplace, recessed lighting** and **hardwood flooring**, which leads you to the **sun room** with **hardwood flooring** and master suite, including master bath with **ceramic tile floor** and **ceramic tile shower with seat** and walk-in closet. A **powder room** with **hardwood flooring** and laundry area complete the first floor.

Stairs lead to the large **loft** with **two additional bedrooms**, a **full bath** with **ceramic tile floor** and storage space. A 1 car attached garage, front covered porch, rear wooded yard and location on a private cul-de-sac complete this charming home that offers the very best in first-floor living in a quiet, secluded community only 12 miles from Bethany Beach!
